+ This work will generate **noise** (transportation of materials)

- Sound level meters  on site: to ensure compliance with current standards

+ The contractor has been made **aware** of the neighbourhood

+ **Occasional local traffic hindrances** during the work: to ensure resident and worker safety

+ **Notices of violation** (\$) will be issued to contractors who start before the permitted time

Partner Community Organizations

Spectre de rue

- + An NPO that helps organizations better co-exist with vulnerable and marginalized people
- + A JCCBI partner for many years, Spectre de rue helps our teams perform work on the land under the bridge while minimizing impacts to the community
- + One resource assigned to this area
- + Voluntary and egalitarian approach
- + Meets immediate needs
- + Very positive results

prévention • intervention • solution

Coop Les Valoristes

- + JCCBI partner since 2014
- + Social economy enterprise that buys returnable beverage containers from people having trouble entering the traditional job market. It sells the containers to Recyc-Québec
- + The Coop collected 1.5 million cans in 2020
- + JCCBI has made the land available free of charge since the first temporary storage site was set up under the bridge
- + On-site Mondays and Tuesdays from May 24 to October 8, 2021
- + For more information, visit their website at www.cooplesvaloristes.ca
