# Ask a question

1. Click on the “chat” icon at the bottom of the screen.
2. Enter your question at the bottom right of the screen.

# Completed, Ongoing and Upcoming Work

Manon Leroux, Project Director, JCCBI

# Steel and painting work 2021-2023

## Montreal sector

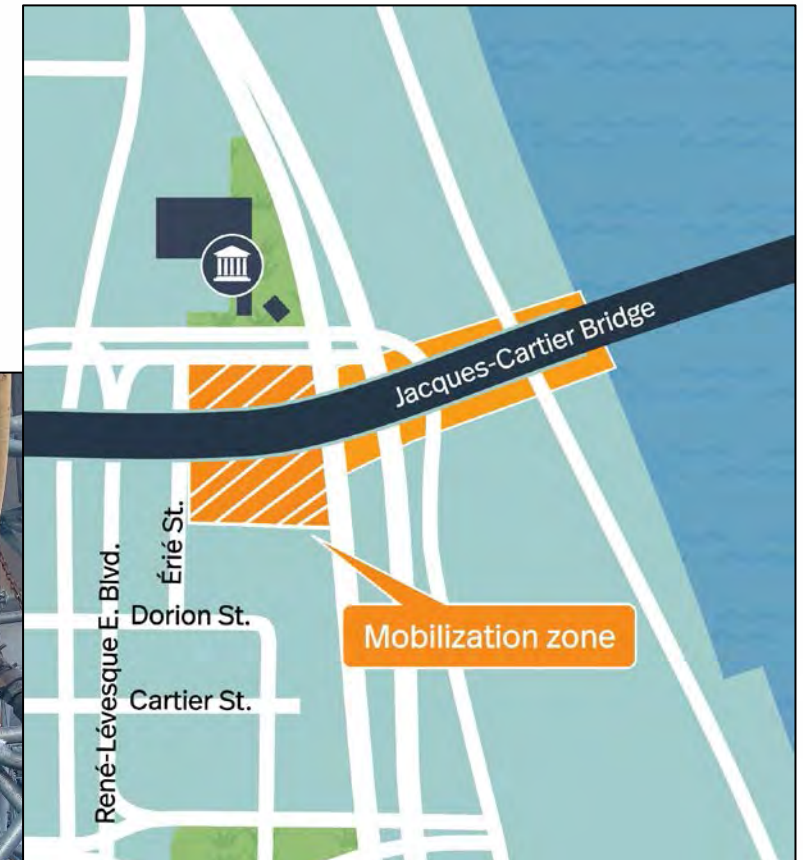

This work will continue until 2023, and will specifically affect the sections over the river, away from residential areas.

# Steel and painting work 2022-2023

Contractor mobilization until summer 2023  
Montreal sector: between Érié and Viger

## Type of steel work above the River and below the deck:

- + Gussets / diagonals
- + Bottom chords
- + Removal of metal rivets / bolting operations
- + Cleaning and painting

# Mitigation measures

- + No work in this area: mobilization only
- + Sound level meters on site: to comply with standards (sound level meters installed)
- + Occasional local traffic hindrances: to ensure the safety of users and workers
- + Flaggers on site when required
- + Work (Section 7) from **Monday to Saturday**, 7:30 a.m. to 7:00 p.m.

 : Sound level meter

# Painting (above the deck)

## Mobilization – Île Sainte-Hélène

### Work types:

- + Complete painting of the first 4 metres high (splash zone)
- + Work planned from 2022 to 2024 (March to October, each year)
- + Upcoming closures (sidewalk): between Montreal and Île Sainte-Hélène
- + Flaggers periodically on the multipurpose path when required

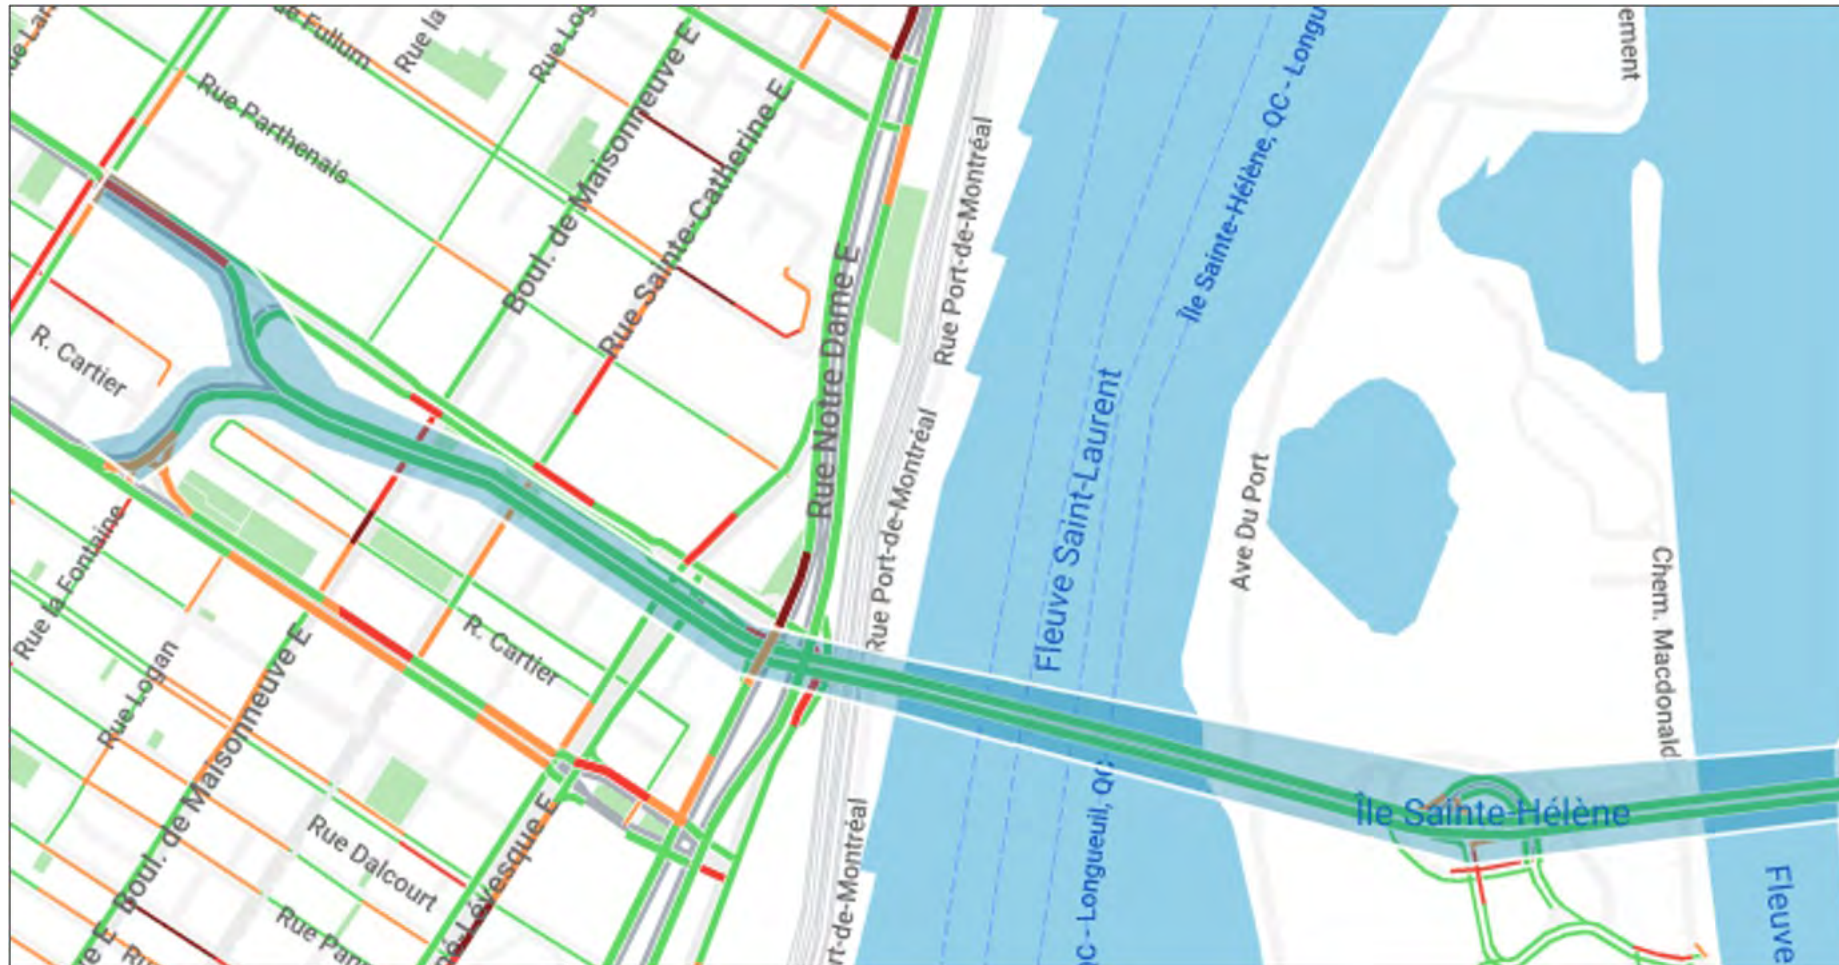

# Work from partners vs JCCBI work

**Blue** : sector that JCCBI is responsible for (Jacques Cartier Bridge, Montreal)

# Active mobility – Installation of automated barriers and signage

## Multipurpose path and sidewalk

### Work types:

- + For winter operation: installation of automated barriers (remotely controlled)
- + New fixed signage: VMS panels and displays →
- + New traffic signs (permanent)
- + Educational radars (multipurpose path only) →

# Land Redevelopment Under the Bridge (Montreal Sector)

# Completed redevelopment (2020-2021)

- + Completed work
- + Final details completed in spring 2022 (some plants and minor corrections)
- + Posting of regulations to come
- + Additional garbage cans to come
- + Marginalized clientele: partnerships under discussion with different stakeholders in the sector to ensure everyone's safety

# Return of the Fireworks

Nathalie Lessard, Director, Communications, JCCBI

# Return of the fireworks

- + Starting June 25: 9 theme evenings for the public to enjoy from the Jacques Cartier Bridge
- + Complete closure of the bridge: from 8:30 p.m. to 11:30 p.m.
- + New web page:
  - Instructions for spectators
  - Traffic hindrances
  - Smoking areas

# Return of the fireworks

New: 2 Smoking areas on the bridge

- + No smoking on the bridge during the fireworks, except in designated areas
- + To provide a smoke-free environment for all spectators

# Partner Community Organizations

# Spectre de rue

- + An NPO that helps with a better co-existence with vulnerable and marginalized people.
- + A JCCBI partner for many years, Spectre de rue helps our teams perform work on the land under the bridge while minimizing impacts to the community.
- + One resource assigned to this area.
- + Voluntary and egalitarian approach.
- + Very positive results.
- + Info : [www.spectrederue.org](http://www.spectrederue.org)

prévention • intervention • solution

# Coop Les Valoristes

- + JCCBI partner since 2014.
- + Social economy enterprise that buys returnable beverage containers from people having trouble entering the traditional job market. It sells the containers back to Recyc-Québec.
- + For 33 days in summer 2021, the site was open to the public: 705,000 refundable containers recovered.
- + JCCBI makes the land available free of charge.
- + On-site from April 25 to October 14, 2022.
